

The Early Years, Inc
Permission to Access the Internet

Dear Parent/Guardians,

During the semester, your child may be involved in using the Internet as an educational resource. Internet access is available to children as The Early Years, Inc. We are very pleased to bring this access to our center and believe the Internet offers vast, diverse and unique resources to the community. Our goal in providing this service to children is to promote education excellence at The Early Years, Inc facilitating communications for resources sharing and innovation. Children will have Internet access privilege at the center under the supervision of a teacher.

Your child will be briefed by a The Early Years, Inc person concerning the following:

1. The primary purpose of The Early Years, Inc Internet connection is educational.
2. Directions will be given as to which Internet resource material children may access.
3. The use of the Internet is a privilege, not a right. Inappropriate behavior may lead to the privilege being revoked and/or disciplinary action taken.

If you would like for your child to have Internet access, please sign below and return to the center. Thank you.

Sincerely,

The Early Years, Inc
