

Tuition Express

Dear Parent,

As your childcare provider, we are excited to offer you the convenience of automatic tuition payments through Tuition Express. You'll no longer need to remember your checkbook or write a check as you're picking up or dropping off your child. Your account will be safely and securely debited, giving you peace of mind in knowing your tuition is paid when it's due and your child's place is secure in our center.

When you enroll in this program, you may choose to have the amount debited from your checking, savings or credit card account. For parents using credit cards this is a great way to increase your reward or miles program points.

The following are a few facts about Tuition Express:

- Tuition Express was designed with state of the art technology, making all your information safe and secure.
- Automatic payments are safer than writing checks each week eliminating potential fraud or identity theft.
- Your current payment schedule won't change.
- You can be instantly notified by email when your payment has been processed.

We at The Early Years, Inc. provide an excellent facility and care to the children we serve. To continue providing this level of quality and service, it is our expectation that parents be responsible for enrolling and maintaining this service.
